Discussion/Warranty Limitations/Harrison Breakwater Contract/Parks & Waterways

Parks & Waterways (P&W)/Noxious Weeds/Snowgroomers Director Nick Snyder explained that there would be some warranty limitations included in the contract for the Harrison Breakwater Project. He explained that the new pilings would be attached to the old pilings, instead of being installed alone. Due to this, he said the contractor would not warranty the old pilings. He said that the tolerance for ice movement had been reduced to two inches as well, and the contractor wished to adjust the warranty to reflect that. The Commissioners voiced their understanding of the limitations.

Chairman Fillios noted that no action was required on this item at this time.
