59						Community Library Bond			\$3.32	\$3.07	\$2.91
60											
61						This example uses the 2021 total Levy rates for each district					
62											
63	This information is provided by each of the districts listed. In order to calculate the difference in your voter approved contribution multiply your net taxable value listed for the year										
64	(which is found on your Assessment Notice or your tax bill) by the levy rate for the voter approved bond.										
65	For example in the table above we multiplied \$200,000 value by the 2021 total levy rate for School District 271 of 0.0015635140 for a resulting tax of \$312.70
