Project Title: Direct Costs for Care Program

Project ID: SUB 21.027 CDAIDE

A. Project Description *(Cites the section of the SLFRF Final Rule outlining the project’s eligibility. Includes an explanation of how the project responds to COVID-19 as determined by its eligibility category.)*

The SLFRF Final Rule maintains that recipients may grant funds to nonprofit entities to carry out an eligible use on behalf of the recipient. Assistance to households facing negative economic impacts due to COVID-19, including rent, mortgage, or utility assistance, is one such eligible use. The hospitality industry is singled out within the Final Rule as an impacted industry; Kootenai County identifies households containing hospitality workers as being impacted households qualified to receive emergency housing assistance.

Project will provide reimbursement for rent assistance provided by CDAIDE to hospitality industry workers during the COVID-19 public health emergency in 2021-2022. CDAIDE takes referrals from co-workers, managers, or employers. Qualifying beneficiaries of care are current hospitality employees as of the last two pay periods who are facing a financial crisis but are not affected by a chronic financial struggle. CDAIDE provides emergency financial support including rent, transportation, utilities, and medical/dental assistance through direct payments to qualifying beneficiaries. Kootenai County will provide funding in the amount of \$50,000 to CDAIDE for the reimbursement of eligible rent assistance provided to hospitality workers as a class of essential worker presumptively impacted by COVID-19.

B. Budget Narrative *(A complete and detailed list of all planned expenditures. Expenditures not included in the budget narrative cannot be reimbursed.)*

\$50,000 – Direct costs incurred by CDAIDE by providing rent assistance payments during the pandemic, beginning from March 13, 2021.

A list of individual payments to be reimbursed will be attached to CDAIDE’s reimbursement request form.

C. Milestones *(A list of project progress indicators, with initial timeline for project completion.)*

1. A single request for reimbursement for all approved expenses, submitted no later than 30 days after the Subaward Date.
