\$70,000.00

Other

\$10,000.00

Estimated Budget Total

\$254,607.00

The dollar amount in the Total Budget for RBS grant must equal the dollar amount in Estimated Budget Total.

What is the total estimated hours your county anticipates to spend on marine law enforcement during the current FFY? *

5500

What is the total estimated hours your county anticipates to spend on boat safety education during the current FFY? *

90

What is the total number of full-time marine deputies that the county anticipates to have during the current FFY? *

3

What is the total number of part-time marine deputies that the county anticipates to have during the current FFY? *

8

What is the number of vessel inspections the county proposes to complete for the current FFY? *

3500

List all patrol vessels the county will use for marine law enforcement during the current FFY. Specify model and length (i.e. - 22' Custom Weld jet boat) *

- Boat 1 2005 25' Safe Boat Defender dual outboard
- Boat 2 2007 25' Almar RAIV-dual outboard
- Boat 3 2005 25' Safe Boat Center Console dule outboard
- Boat 4 1996 20' Almar jet boat
- Boat 5 1994 22' Almar Raiv jet boat

Will there be a radio on all boats (installed or hand-held)? * Yes No

How many patrol vehicles are used in your county marine program (vehicles used for marine law enforcement, including tow vehicles)? *

8

What are the 3 highest priorities for your county marine law enforcement and boating safety education programs during the current FFY? *

- Enforcing County ordinances and educating boaters on safe boating practices.
- Focus education this season on rental companies since there has been a large rise in rental companies around the area. The renters appear to be the least educated and therefore the greatest risk for accidents.

Number of certified boat education safety instructors you have available for the current FFY. *

3

Number of "Boat Idaho" classes planned for the current FFY. *

6

Number of public outreach events to promote boating safety planned for the current FFY. *
