

# KOOTENAI COUNTY SHERIFF'S OFFICE

## Arek Brock Patrol Deputy

### What made you want to become a Patrol Deputy?

Ever since I could remember, I have always said I wanted to be a Police Officer. The fact I can be involved in the community, assist, and help everyone who needs it is self-satisfaction. I love being able to please people and ensure they are feeling safe and secure in OUR community; it's such a great feeling.

### What is your favorite part of your job as Kootenai County Sheriff's Patrol Deputy?

My favorite part of being a patrol deputy is the fact everyday will be different from the last. The fact of not knowing what you will encounter or the problems you will face always has your mind working.

### What do you think are the most important attributes of a Patrol Deputy?

I think the most important attributes of a patrol deputy are INTEGRITY, PHYSICAL FITNESS, SENSE OF ETHICS, COMMUNICATION, RESILIENCE AND COMMON SENSE. There are many more that I believe are just as important but these are some of my top answers!

### What piece of advice would you give to someone who is interested in becoming a Patrol Deputy?

I would highly advise that they do a ride along with a deputy. Being able to sit in a patrol vehicle with a deputy and seeing firsthand the type of calls they respond to and the type of work they do would give them a sense of direction if they would like to pursue a career in Law Enforcement. Also, they would be able to ask questions during the ride along to clear up any confusion they may have.

### What special teams are you assigned to?

Currently I am assigned to the SWAT team as one of the Explosive Breachers and I am also a Recruiter for KCSO.
